Please send your resume to the Email ID mentioned with the job opening – *matching your skill-set & preference* - with proper email subject and email body text. Most of these openings you won't find on Job portals. Why? Because MNCs & other Companies outsource this work to consultancies – to find candidates for them.

Email Subject: "Position | Current Location | Experience"
E.g., "Test Automation | Bangalore | 5 Yrs"
Note: Current Location shouldn't be your hometown where there are NO IT companies. Keep it like Chennai/Bangalore/HYD/Pune/MUM/Delhi/AHD/Noida/GGN/etc.

Hi,
